Saturday, Events - October 1st (CPLTA, Golf Outing and Charity)

These events require separate registrations - please see the NALTA Website for full details and fees

This year, NALTA will offer a Saturday class with two topics:

- "The Geology of the Hunt Oil Co. Building" (Amos Sanders)
- "Fracing" (Charles Brown)

The Hunt Consolidated Building in Dallas, Texas contains impressive rocks and minerals from around the world. The presentation will focus on select minerals and rocks (igneous, sedimentary, and metamorphic rocks) in the building and a description of how they formed geologically

Also, this year NALTA is sponsoring a **golf outing** and Charity Event the Saturday after Conference and proceeds will go to the Scottish Rite Hospital for Children!

"NETWORKING ON THE GREENS WITH FRIENDS"

- That's right, come to the 2011 NALTA Conference in Dallas and then play golf in a four person scramble at the renown **Bear Creek Golf Club!** Whether you are an avid golfer or just want to hit a few balls and help a worthy cause, **The Scottish Rite Hospital for Children (Texas).**
