

Re: 2012 Membership Drive

Dear NALTA Members:

It is time once again for NALTA to begin our 2012 Annual Membership Drive.

New applicants as well as current NALTA members are able to register for membership with NALTA online through our website www.nalta.org. Membership continues to have easy access to timely information, online renewal of membership and change of address updates, electronic on-line member directory and much more.

A tutorial is available on how to set up your password and complete the renewal process. We have also provided answers to those frequently asked questions, but should you have others, please feel free to contact our Membership Chairman, Linda Howerton at secretary@nalta.org, or me and we will be happy to assist you.
