

Over the past year, I had the most wonderful opportunity to work with all of you as president of NALTA. I must admit that the task was often challenging; however, I learned a great deal about myself and all of the capabilities that NALTA can offer an individual as they volunteer to make NALTA greater each year.

I would like to thank you for the opportunities that I have received from working for this excellent organization. I have met some friends for life, learned invaluable skills and would like to solicit those that have not worked on a volunteer basis for NALTA to do so in the future.

The organization is continually growing by leaps and bounds and our membership and partnering companies are the back bone to NALTA's success.

I would also like to thank my company, Hunt Oil Company, Dallas, Texas for their continual support and all of those individuals that assisted and gave me guidance and help throughout the year, no matter how small.

I congratulate Jan Warren our new president and offer her any assistance that I can give during her rein.

Here's to another great year for NALTA.

Respectfully submitted,

Leverne Hearn, CPLTA, CMM  
2008-2009 NALTA President
